Openings: Jeremy Fish – “Rise of the Underground” @ Mark Moore

Posted on November 1, 2011 by sleepboy

Over the weekend, AM stopped by **Mark Moore Gallery** in Los Angeles to take a look at **Jeremy Fish** (featured) part in *Rise of the Underground*. Exhibiting alongside **Kenichi Yokono**, the standout pieces from the bearded one were his exquisite and imaginative woodcuts, an extension of the work we saw in NY in July.
