PHOTOS: ANDREW SCHOULTZ & RICHARD COLMAN @ V1 GALLERY, COPENHAGEN

Monday April 02, 2012

Last week, March 2012 cover artist **Andrew Schoultz** and former Juxtapoz featured artist and Detroit project artist, Richard Colman, opened the exhibition, To Be Announced at Copenhagen's V1 Gallery. As we see in the photos, both Colman and Schoultz created site-specific murals and installations to accompany their bodies of work.
